

Addendum 1

On May 10, 2016, the New Hampshire Department of Health and Human Services published a Request for Proposals (RFP) seeking competitive Integrated Delivery Network Applications. The RFP was issued to solicit Applicants to become an Integrated Delivery Network, which is a required element of the Department of Health and Human Services' *Building Capacity for Transformation*, Section 1115(a) Medicaid Demonstration Waiver, #11-W-00301/1.

This Addendum #1 is issued to:

1. Delete subsection 1.3. Contract Period of the RFP and replace it with:

1.3 Contact Period

Contracts resulting from this RFP will be effective July 1, 2016 or upon Governor and Executive Council approval, whichever is later. Contract period termination dates will be determined with consideration to New Hampshire's *Building Capacity for Transformation* Section 1115(a) Medicaid Waiver, #11-W-00301/1 – a multi-year project that ends December 31, 2020.

- 1.3.1. Available funding for these contracts will be based on the funding distribution methodology described in the CMS-approved waiver and the DSRIP Program Funding and Mechanics Protocol (pending CMS approval).
- 1.3.2. Budget information contained in IDN applications submitted in response to this RFP are considered preliminary but must be included in submitted IDN applications to inform the intended progression of the Demonstration project through subsequent years.
- 1.3.3. Awarded contracts shall be subject to Governor and Executive Council approval. The Department reserves its right to amend such agreements, as needed and justified, and arrived at by mutual agreement of the parties. Such amendments shall be subject to Governor and Executive Council approval and may require CMS approval.
